NOTE: DRM Diversafab's Metal Fabrication Division has the equipment, skill and experience to design and manufacture a custom Truck or Adaptor Kit. **For a quantity of 10 or more Trucks of the same Brand, Model and Engine Type**, DRM Diversafab shall review the application, confirm the application, create a prototype and manufacture a custom kit. If interested in discussing a custom Truck or Adaptor Kit, please contact your local Centri™ Air Precleaner distributor or DRM Diversafab at 800-356-4882, Email: centriinfo@drmdiversafab.com or Website: www.centriprecleaner.com. For the most up to date truck kit list, please visit our website under the "Accessories" tab. Thank You
